HIGH QUALITY STAINLESS STEEL PET PRODUCTS

Profile

We avail this opportunity to introduce ourselves as one of the renowned & high quality stainless steel pet products manufacturers in India.

We are equipped with best infrastructure and latest technology to feed all the global needs. Due to our own production it is possible to fulfill nearly every customer requirements regarding special production.

As we are Direct Manufacturers and offer competitive prices.

Our in-house production process takes place under one roof at our manufacturing facilities in India under the strictest Quality control measures resulting in the highest quality Stainless steel pet dishes available.

Because of our use of only the highest quality raw materials and our in-house buffing process, our dishes have a brilliant mirror finish.

Our in-house tooling & designing technology enables us to produce a wide range of innovative pet products and supply a broad range of unique items.

We are proud to be associated with top pet industries around the world.

We do not employ child labor and pollution free manufacturing unit.
